Case # 04-1480-SLR

Dear Judge Robinson:

I am at a lost. On January 18, 2005,  
This Honorable Court granted the petitioner  
the right to proceed in the above-cited  
case *forma pauperis*.

On January 31, 2005, I wrote to the clerk  
of the court and requested a docket  
sheet and was informed that there was  
a fifty cent a page fee requirement. The  
problem is, if I am indigent in one area,  
I cannot very well afford the other either.

Page 2. Case # 04-1480-SLR

In all honesty, I just want to know what's going on? I have not heard from the Court since February 8, 2005. Have the defendants been notified by U.S. Marsh.alls? Are we proceeding? Is there anything I need to be doing?

I will appreciate any updates you may be able to provide.

Sincerely,  
Sebastian
